Security Announcement

When you are in and out of First Church's facility during the week you will notice others doing many things: nursery school, meetings, rehearsals, classes, Bible study groups, etc. You may also notice some new signs and an occasional locked door in a stairway or hall. We are always attentive to matters of safety and security, for the children and youth in particular, but also for adults and for the building itself. If you encounter an unexpected locked door and must walk down a hallway and up a different stairway to reach your destination, remember the children, youth and other adults who share this building with you and know that your mild inconvenience enhances their safety. Please make sure your children and youth are supervised at all times when they are in the church building.
