

# United Methodist Women Advent Fellowship

The annual UMW Advent Fellowship was held on December 5, 2009. The ladies were treated to breakfast goodies and then helped to make gift bags for our shut-ins, which included home baked cookies. Special Christmas music was provided by the hand chime choir. Each UMW member had a chance to play the chimes, which was a lot of fun. Our special guest showed us how to make amazing balloon creations. Some ladies were lucky enough to take a balloon home with them.
