## New Welcome Center

First Church is blessed to be known as a friendly and welcoming church. We strive to show extravagant hospitality to our guests! Our Hospitality Committee members engage in “holy listening” as they seek feedback from our guests and our congregation, and continually discern ways to improve what we do.

As a result, the committee has been hard at work creating spaces that are more welcoming and friendly for our guests (Did you know that we had more than 30 *first-time* guests come to visit just this summer?) The committee created more of a “Welcome Center” in the narthex which also spills over into the gathering area where the couches have been moved to. Guests can easily find a cup of coffee, a light snack and the information they are looking for in this area. They also have easy opportunities to run into us—the church members!

As we move into the Fall and Advent seasons, let’s focus on our value to build relationships by encouraging everyone to connect with newcomers who are here to worship and invite them to our classes, groups and fun activities. Together we can open doors with Christ by sharing our heart and God’s home with our guests.
