PRAYER GUIDE

FRIDAY, APRIL 10 | 9 AM - 3 PM

Dear Heavenly Father, we come before you today asking in your mercy to halt the spread of the coronavirus. We pray that those infected with the virus would receive prompt, effective and compassionate medical care that will restore them to health and that many lives might be spared.

We pray your protection and grace for all medical professionals who are courageously treating those infected with coronavirus. May they be shielded, strengthened and guided as they administer healing treatments and care.

We pray your protection over those most vulnerable to disease, our elders, our poor, disabled and those weakened by other health conditions.

We pray for our public healthcare leaders and government agencies that they might be informed and well prepared as they deal with the coronavirus. Grant them the resources and manpower they need to use their wisdom in the best interest of public health.

We pray for the researchers who are tracking the course of the coronavirus. May they uncover patterns that will help us understand how to stay healthy.

We pray for those searching for treatments, cures and vaccines. May you guide them, reveal new ideas and accelerate their discoveries to fight this disease.

We pray for the communities, areas and countries hardest hit by coronavirus. Restore their sense of wellbeing and community. Sustain them, comfort them and give them hope.

We pray for all whose lives are disrupted by the coronavirus. We pray for families who have been separated and for those whose livelihoods have been jeopardized.

We pray your blessing over churches in our community—bless pastoral staffs with your strength and wisdom during this health crisis; meet every church's financial needs in a season when they're unable to meet and giving will be impacted and yet the needs of people are perhaps greater than ever; bless pastoral staffs as they extend pastoral care and counseling remotely

We pray for favor as followers of Jesus and churches interact with community leaders and organizations in serving and blessing the needs of people in our community.

We pray for those in our community who don't know Jesus. During this time of uncertainty, open people's hearts to receive your love.

We pray that your Church would grow in love for you and in unity during this season.

Thank you for hearing our prayer. Amen.
