Blessing of the Hands

Bless these hands with their gentle touch;
bless these hands as they caress the ones
they love so much.

Bless these hands that clasp in prayer;
bless these hands that seek God's
guidance each hour.

Bless these hands that push the
wheelchairs;
bless these hands that assist with the
stairs.

Bless these hands that drive the vans;
bless these hands that schedule doctor
and therapy plans.

Bless these hands that shampoo, bath,
and touch;

bless these that rub the lotion and such.

Bless these hands that comb the hair and
dress;

bless these hands as they seek to bless.

Bless these hands that brush the teeth and
stroke the face;

bless these hands as they see Your grace.

Bless these hands as they work the
feeding tubes;
bless these hands, they are YOURS to
use.

Bless these hands as they hold the spoon
up;

bless these hand as they lift the cup.

Bless these hands as they wipe the slobber
and drool;

bless these hands, they are a useful tool.

Bless these hands as they deliver the
meds;

bless these hands as they make the beds.

Bless these hands that massage muscles
and painful nerves;

bless these hands that are used to serve.

Bless these hands that soothe through
seizures and pain;
bless these hands that long to heal and
take away the pain.

Bless these hands that pray for healing,
relief, and peace;

bless these hands that pray with great
belief.

Bless these hands that clean mess after
mess;

bless these hands with patience as they are
put to the test.

Bless these hands that wipe the tears;
bless these hands that long to take away
the fears.

Bless these hands as they wipe yet more
tears;

bless these hands as they long to take
away the rejection from peers.

Bless these hands as they wipe tears of
their own;

bless these hands that do this in secret,
they cry alone.

Bless these hands that are often wrung in
worry and fear;

bless these hands with comfort from
loved ones so dear.

Bless these hands that grow weary and
tired;

bless these hands may they always be
gentle, kind, and inspired.

Bless these hand Lord, which are
dedicated to YOU;
bless these hands that are YOURS to
work through.

Bless these hands Lord, with power from
above;

bless these hands to deliver YOUR
intimate Love.
