Vital Signs

While there are some things we have not been able to do while our church building has been closed, we have remained a vitally active congregation as passionate worshippers and lifelong learners!

Our average online weekly worship attendance for the 12-week period from March 15 through May 31 was 582! During this same 12-week period in 2019 it was 433... this is 35% increase!

This year, our total online worship attendance during Easter week (which includes the Maundy Thursday service, a sunrise service, plus our regular Sunday morning worship) was 1,517! In 2019 it was 1,085... this is a 40% increase!

While our number of small groups and number of people participating in small groups was understandably down during the stay-at-home order, we did have an average of 16 groups meeting each week online, with an average total weekly attendance of 181! We started slowly as we adjusted to our "new normal" and learned new ways of connecting through technology, and participation built over time. At our peak during this period, we had more than 20 groups meeting, which engaged 288 adults, youth and children in small groups meeting for the purposes of spiritual growth! Considering our circumstances, that is a lot of discipleship!

Not being able to gather in-person has been very difficult for us, and it will be so wonderful to gather in-person again! However, our circumstances have also brought blessings... by learning new ways to connect using technology, we have opened doors to reach new people that we were not able to reach before. Thank you Jesus for making all things new so that our blessings could be used to bless others during this difficult time! As we move forward into this next "new normal" phase, I look forward to seeing what new blessings we experience together!

We encourage you to continue to stay engaged as we begin a new sermon series, "Shifting Perspectives: A Study in Romans 8." In the eighth chapter of his Letter to the Romans, Paul beautifully describes how being in Christ and living in the Spirit gives us a new perspective on everything, including seasons of suffering. Join us this summer as we dig deep into the rich soil of what many have called the greatest chapter in the Bible!

Bible Reading Plan

Use our Bible reading plan to remain in God's word daily. This reading plan is available on our church website at www.fumchurch.com, and on page 10 of this newsletter.

Connect Using The Bible App

Check out the YouVersion Bible app, available for both android and iOS smartphones/tablets, or on your laptop at bible.com. There are many wonderful devotional studies, plus you can create groups to study, chat with friends and share prayer requests!

Small Groups

Over these past few months, several small groups have been meeting on Zoom for the purposes of spiritual growth, and these groups have engaged many people on a weekly basis. How wonderful! While some of these groups will continue to meet over the summer, others will take a break and resume in the fall.

We would like to start some new summertime small groups, either on Zoom or in backyards now that it is considered safe to do so while maintaining physical distancing. Do you feel called to offer something for a few weeks this summer? Ideas for groups include:

- A book study/book club
- A fellowship group that shares brief devotions together
- A group study on the YouVersion Bible app or another app
- An activity-based group (such as our knitters group)
- A study group that uses our Bible reading plan/sermon series outlines (available on our website, fumchurch.com) or other study materials
- A worship group

The options are endless! Please pray for God's guidance in how you can offer a way to help people grow spiritually, stay connected to one another and stay connected to Christ. If you feel led to start a new group, please contact Tina Eaton at adultministry@fumchurch.com. If you would prefer to use Zoom, the church account information and training will be provided.

For a listing of both ongoing and new groups meeting, please see the weekly bulletin announcements (available on our church website, www.fumchurch.com).

From the Library

I just heard on the news that our county will be going green next week, but I do not know what that means for our church services and whether the building will be opening. I have started receiving new books from Christian Publications and will have them ready when I see you next.

Denise Hunter is one of my favorite romance authors. Yes, you read that right. Sometimes I read romance novels, and this one has a dollop of mystery. I like Ms. Hunter because her characters are down to earth and her scenarios plausible. I reviewed the first book, **Lake Season**, when it arrived last November, and the Bluebell Inn was introduced. Though not necessary, I like to read most books in order to keep the characters in sequence. The second book in the series is **Carolina Breeze** and again is set in North Carolina. Mia Emerson, a rising Hollywood star, has had a very public break-up and celebrity scandal. While looking for a quiet place to recover and hide out, she chooses the site of her cancelled honeymoon, Bluebell Inn. She and Levi Bennett, part-time proprietor of the inn hit it off immediately. Realizing they each have secrets, they come to trust each other. Levi's secret is that the inn is not stable financially; something his sisters don't know. During an exploration of the old inn, they find a journal that hints of a

diamond necklace hidden somewhere in the inn. I'll let you discover the secret of the inn, and if Mia will go back to Hollywood or stay with Levi! I can envision watching fireflies come out while reading this summer escape novel.

I know many of you love Amish fiction. Bestselling author Amy Clipston has the perfect summer read—**The Farm Stand**. The story is set around Salina Petersheim running a farm stand and dating an acceptable Amish roofer, Josiah, who her parents think she will marry soon. But Salina feels more like a sister to Josiah than a girlfriend, but she is a dutiful daughter. Then she meets local chef, Will Zimmerman, who would like to use her produce in his restaurant. As they work together Salina knows what was missing with Josiah is very present with Will. But Will is a Mennonite, and not what her parents expect. Will Salina follow her heart or bow to her parents' will? Or will God provide a surprising new road? If neither of these books appeals to you, I hope to help you find just the right book for you in the library—fingers crossed.

Livestream Team — New Ministry

While our conversations continue on providing online Sunday morning worship, we will be looking to shift to *livestreaming our worship services* for long-term. This is a new group forming, with exciting potential to reach beyond the walls of our church. *Because of the higher demand for more volunteers to livestream, we are looking for more individuals to help grow our livestream team.* No prior experience is needed, and training is provided. If you would like to meet the challenge of modern church and advance the kingdom into a digital era, please contact Sarah Pugh at worship@fumchurch.com.

Hospitality Tip

When I think back to the last time I was writing this, I am reminded that we were expecting this separation to be short. Well, that certainly has not been the case, and even though we may not be together yet, we need to be showing more hospitality, than ever before, to all those around us. As I am writing this article our world is in a time of GREAT need for prayer and love, from all of us, to everyone. God has shown us how to be loving and hospitable, but right now we need to show that more than ever to everyone. I hope that by the time you read this, we will be back to the physical building of church and be together, even if it will look different. I know it's tough to smile with a mask on, but I think we can come up with ways to show God's love to all that we meet, without the physical touch.

Our actual expenses continue to be less than planned as the church staff is working hard to reduce discretionary spending to help keep our financial position in good shape. Giving is running behind our budget, but has recovered since March as our members have mailed in contributions or used electronic giving to support our ministry during this extraordinary time. Our "Actual giving" includes approximately \$25,000 received "early" this year versus prior years. Until we gather again, we hope you will consider mailing your contributions to the church office or utilizing electronic giving via the church website. Rejoicing Spirits

Greetings on this beautiful Monday morning as I write to you about Rejoicing Spirits. During this pandemic, we have kept connected by phone contacts and with weekly video messages from me to the other Rejoicers. I can assure you that as Rejoicers we have enjoyed some beautiful days in the neighborhood. Our first but not our last Zoom worship for Rejoicing Spirits was in May. It was so good to connect. We shared songs, prayers, scripture, the message and even our Birthday Celebrations. A highlight for Merri and I was to share the Rejoicing Spirits worship with our dear friends Dave and Yvonne from York England. We bridged the gap of thousands of miles while also connecting with their young adult son, Nathan, who has autism. Dave and Yvonne are British Methodists. We met Dave on a ministerial exchange many years ago. As Rejoicers, we hope to get back together for in person worship. But until the time when we are able to return to church, we will continue our Zoom worship. All are welcome to join us! We will be trying to get it recorded for the future.

Outreach Update

First Church continues to partner with other community churches to meet the needs of our neighbors. We participated in a food collection for Mechanicsburg School District alongside Mechanicsburg Brethren in Christ and in June we collected personal care items for Mission Central in our parking lot every Wednesday from 10:00 a.m. to noon. Those items support families in need locally and in other surrounding school districts.

The Little Free Pantry has been a tremendous blessing to our neighbors. We've made a concentrated effort to ensure that the pantry stays full to help those in need. We are also sharing the pantry items with two other Blessing Boxes in our community.

To Our Beloved FUMC Camp & Retreat Families and Supporters,

As you already may know, the **Susquehanna Conference's Camp & Retreat Ministry Board has made the decision to suspend all summer camp and retreat programming through September 1, 2020.**

We trust deeply in the growth and possibilities that have and will emerge as we move forward. The full-time Camping staff continues to maintain the camp facilities, as well as, to stay connected with camp volunteer teams, campers and families to keep camp alive.

While all of us acknowledge our shared disappointment at not experiencing camp as normal this summer, we know God will make a way forward through this time.

Funding is still required to sustain leadership, facilities, and programs critical to fulfilling the on-going mission of the Camp & Retreat ministries – not just for this year, but for years to come.

Please be in prayer and ask how you can participate in His Kingdom work.

In the coming weeks, there will be opportunities for generosity in financial giving. Your generosity can be a part of the way God provides "*streams in the wilderness.*"

The special giving program entitled the "Camp Comeback Campaign," will kick off with a unique "**Matching Monday**" opportunity to DOUBLE gifts to Camp & Retreat Ministry.

"**Matching Monday**" starts June 22 and will continue through July 27.

Matching Monday weekly amounts and [giving instructions](#) will be posted at 8 a.m. every Monday on each campsite Facebook page.

Donate through the conference website - www.susumcamps.org.
