“Can a mother forget the baby at her breast and have no compassion on the child she has borne? Though she may forget, I will not forget you! See, I have engraved you on the palms of my hands; your walls are ever before me.” Isaiah 49:15-16, CEB

Isaiah 49:15 has always struck me as an odd verse because the comparison seems misplaced. If I was trying to assure someone of God’s faithful presence with them and His ability to never forget them, I feel like “losing a remote,” “misplacing my keys,” or “forgetting where I put my phone” are a better contrast to God’s faithfulness than “a mother forgets a baby.” But, alas, that is what scripture offers us. Why? Perhaps it’s the odd notion of a mother forgetting a newborn. It is unlikely, yet it’s not impossible. While not often, there are times when a mother might neglect her newborn. Even that which we think is certain is still not as certain as God’s faithful remembrance of us. Our best example of faithful care, a mother and a baby, still does not compare to God’s care towards us.

This summer, 17 students and adults are headed to Mayfield, Kentucky, to bring that message of hope: God has not forgotten you. When the tornado pummeled the Mayfield community in December 2021, many likely inquired upon God’s presence and wondered as to His care of them. A year and a half later, after first responders and disaster agencies have left and gone to support others, the community is left rebuilding.

Sometimes long distance mission trips (an 11 hour drive) for a short amount of time (five days) don’t seem practical and well-placed when there are needs here in our local community. While, yes, only so much work will be accomplished in five days, there is still a great value in the effort. For as we swing a hammer, help rebuild a porch, or layer one last coat of paint on a bedroom wall, we are bringing a tangible answer to a hurting community: You are not forgotten; God cares. He cares so much that he will bring, from 11 hours away, a church willing to share in your pain and help carry your burden, if even just for 5 days. The word of hope offered by Isaiah are the words of hope we bring to Mayfield: “The walls you’re rebuilding are never out of my sight” (Isaiah 49:16 MSG).

As our team carries this message of hope to the Mayfield community, I pray you would carry that same reminder with you wherever you go this summer. You are never out of God’s sight. We serve a God who cares deeply and loves faithfully. Whether you’re rebuilding after a disaster or embarking on a summer adventure, He is there. Take great hope in His promise, and seek to connect to the Lord that is with us in all times, all places, and all circumstances.

**From the Library**

July – a month that I always think of as the heart of the summer. In the good old days, as I'm sure some of you remember, school vacation ran from Memorial Day to Labor Day. Not only did I ride my bike to the public pool every day, but I frequently went to the library to stock up as many books as I could fit in my bike basket. My days of bike riding to the library are long gone, but when I look for books that I would like to read or buy for the church library, that same feeling of joy comes over

me. Not only do I search for books that I would like to read, but also I try to decide what you would like to read. I always welcome your input on new Christian authors or titles. For now, let's check out some firecracker-worthy new reads for July.

When I write these newsletter articles, I usually look at online reviews to see what other people think of a book. When I checked out *Counter Attack* by Patricia Bradley, the reviewer said she got no housework done on the day she received the book – she couldn't stop reading to the very end. I knew this was my kind of book. The main character, Alexis Stone, has just been sworn in as interim sheriff for Russell County, Tennessee, when a killer strikes again. Dubbed the Queen's Gambit Killer because he leaves chess pieces and a note detailing a chess move at each crime, this killer must be caught. Alexis had planned to be in Russell County only a short time, with her sights set on her real prize job of being the first female police chief of Chattanooga. But, how can she leave with this fiend on the loose? Also on the hunt is Nathan Landry, chief of police of Pearl Springs. He and Alexis were high school sweethearts, and he has never stopped loving her. Can he keep her safe while giving her space to do her work? Since I never spoil the ending, you'll just have to read this suspenseful book yourself. And, I give you permission to let the housework go until you finish!

The library has a new writer of romantic suspense just in time for the theme of "firecracker reads." Lisa Phillips is writing a series called "Benson First Responders," and the first book is *Allegiance*. The whole town thinks that police detective Lucas Westbrook is a disgrace to the uniform. What they don't want to believe is that he's not only an upright man of God, but also a man with a dangerous secret. EMT Freya Olson has been loyal to Lucas, as she knows he is a good man. But, a new case tangles them both in a web that seems to have no way to escape. How far can Freya take loyalty when she doesn't know Lucas's secret? I would say this story has a chance of a happy ending, but you'll have to navigate all the twists and turns to find out. Did I mention Lucas has a secret — you might be interested in finding out what that might be. Let me know if you like this title, as there are more books that could round out the series.

On another note, the library is accepting gently used books, puzzles, CDs, and DVDs for our Aug. 19 Book Sale. Both adult and children's items are welcome, but we cannot accept VCR tapes, textbooks, or encyclopedias. Small donations can be left by the library door (clearly marked) at any time. If you have a large donation, please contact Donna Nichols or Pam Van Kirk to facilitate drop-off. After clearing your shelves, mark your calendar for the sale where you can stock up for the next year. This sale supports the library for the year and keeps the latest in Christian books at your fingertips with very little wait time.

See you in the library!

Pam, Sue, Mary, Marge, Deb, Annette and Donna

### Monthly Prayer Focus: "Information Fast"

How do you feel when you eat too much... bloated and uncomfortable? The same is true for our minds and our spirits. There are so many books, TV shows, podcasts, movies and more for us to feast on! But, to have the abundant life that Jesus promises (John 10:10), we must feed our minds and spirits *less* from this world in order to make more space for God to fill us instead. During the months of July and August, let's try an "information fast." What might this look like for you?

- Be mindful of what kinds of media and how much you are consuming. Awareness is the first step to change, so take note of all the books, TV, movies, etc. you take in.
- Once you're aware of all that you consume each day, take note of how it makes you feel. (As an example, The American Psychological Association reports that more than 50% of Americans say the news causes them stress and anxiety.)
- Once you're aware of what you are consuming and how it makes you feel, consider what can be reduced or eliminated in order to make more space for God, increase your joy and improve your overall well-being.
- After eliminating some of the information you take in, spend that time with God in prayer. Maybe you'll take a walk in nature, simply sit in the quiet, read your Bible or use a devotional as a guide... no matter where you are and what you do, simply take the time you've created through fasting to be with God.

Know that not every day will be perfect during your "information fast." Just enjoy the quiet time you create and pay attention to how it helps deepen your relationship with God.

### **2023 Youth Mission Trip | July 1-7**

On the night of Dec. 10, 2021, residents in Mayfield, Kentucky, were awoken by one of the worst tornadoes in U.S. history. The tornado ripped through Kentucky and the surrounding states, though Mayfield was hit hardest. Two years later, disaster relief work is still occurring. First Church Youth is currently planning a summer mission trip with Adventures In Mission to serve in Mayfield alongside the local church and other volunteers. Our youth mission trips are designed to help students to experience service and missions in a variety of ways and in a variety of places. Wherever we go and whatever we do, we get to impact the community and people we are serving by extending God's love. We also prioritize working with local churches and local service providers to assure that our help creates long-lasting benefits for those on the ground beyond our stay, throughout the year. We are excited for the opportunity to serve through disaster relief and incredibly grateful to you, our church family, for helping to make these experiences possible for our students. Please pray for our students and leaders as they travel and serve together!

### **July/August Hospitality Tip: "Hospitality Goggles"**

Hospitality is an essential ministry in the church because so many people in our communities are hurting or feel alone. Intentional hospitality is vital to ensuring that people who visit our church and are searching for God can feel welcome and comfortable in a new setting. During these summer months, keep an eye out for newcomers – surprisingly, this is when many people check out churches! As you put on your "hospitality goggles," look for these things:

- Are there clear directions at the entrances and in the common areas of the church directing folks to worship and restrooms?
- Are the announcements in the bulletin clear enough for those who are visiting to understand what's going on, or is it assumed that everyone already knows?
- Do our common areas feel warm and welcoming?
- Are groups of church members talking and blocking hallways so that a guest must work their way through an obstacle course to get into worship?

- Are we warm and welcoming, striking up conversation with newcomers, or are we only talking to people we already know?

It is so very important for us to look through a guest's eyes so that we can open doors for all to know Jesus! If you have any feedback or are interested in welcoming others to First Church as a door greeter or usher, please contact Patti Herring or Tina Eaton.

### **Financial Report**

Through May 31, 2023  
42% of year

#### General Fund

2023 budget	\$900,886
Expected income – YTD	\$375,369 (42% of budget)
Actual income – YTD	\$409,781 (45% of budget)
Actual expenses – YTD	\$370,802 (41% of budget)

Income for the four-Sunday month of May was \$75,639, more than our average four-week budget. We continue to run ahead of our YTD budget by about \$34,000. In May, expenses were a bit over an average 4-week budget due to the timing of payments. The good news is year-to-date expenses remain \$5,000 below expected spending.

We're grateful to be entering the summer season of worship to see how our new Green Space will enhance our worship and offerings to the community. We thank you all for supporting the work of First Church, as we serve the Lord by opening doors for all to know salvation through Jesus. We continue to ask for your prayers, your presence and your support toward the mission of our First Church family.

The bell tower work is well on its way to completion. This project is expected to cost upwards of \$300,000, of which the Trustees' maintenance funds covered \$100,000. To make up the difference, our congregation has approved a loan for the remaining \$200,000, to be reduced by fundraisers and the generosity of our congregation. So far, the Endowment fund has contributed \$10,000, and fundraisers and donations have helped reduce the final expected loan amount. But, there is still time to reduce our loan with a gift that goes directly to the bell tower repairs. You can give on the Church Center app or with a check. Please contact the office for more information. As always, thank you for your talents, faith and gifts that help First Church serve the Lord.

### **VBS Donations**

Looking for a way to support First Church's VBS? We're in need of toilet paper or paper towel rolls and boxes of chocolate, vanilla or butterscotch Tastykake treats. You can drop your donations off in the basket in the main entrance hallway or at the church office.

### **Community Dinner, July 23**

We're looking forward to the next Community Dinner on Sunday, July 23, at 5 p.m. at Trinity Evangelical Lutheran Church on Main Street. This dinner is for the Mechanicsburg downtown community and includes a free meal, music and door prizes. At the last dinner, we served over 130 of our neighbors!

If you'd like to help in any way, please contact Lori Hoffnagle ([l\\_hoffnagle@yahoo.com](mailto:l_hoffnagle@yahoo.com)). We will serve pulled pork BBQ, chicken and macaroni and cheese at this dinner. Find more ways to get involved in our Service opportunities email or on the Church Center app!

### **Camp Fancy Gala | Saturday, Sept. 9, 4-8 p.m.**

If you value the power of Camp and Retreat experiences to change lives, join us for an evening of inspiration, fun and generosity. Camp Fancy means you can choose your attire, from prom night outfits to outdoor gear – just be sure to have one part of your outfit that is “fancy” as part of the celebration.

New for this year, the event will be held at the Conference Center at Central Penn College (600 College Hill Road, Summerdale). We're also excited to announce that this year's volunteer honorees are our very own Mike and Nadine Ogden!

The event features a catered meal, special music, auction items and the chance to honor Mike and Nadine as we raise funds for the Susquehanna Conference's Camp and Retreat Ministry.

Registration and donation information will be made available very soon. Check the Camp and Retreat website for updates at [suscrm.org](http://suscrm.org). Contact Camp and Retreat Ministries board members Steve Noss ([sdppp@msn.com](mailto:sdppp@msn.com)) or Lori Hoffnagle ([l\\_hoffnagle@yahoo.com](mailto:l_hoffnagle@yahoo.com)) with any questions about the gala, volunteering, making a donation or contributing an auction item. Thanks for your support!

### **Little Free Pantry**

Thanks so much for your support of the Little Free Pantry through your donations and monetary contributions. We are slowly building up our supply to stock the pantry, but we still welcome your donations! You can drop off donations at the church office or in the marked basket at the alley entrance. You're also welcome to place items in the pantry anytime. We are blessed to be able to offer this barrier-free access point to food to our neighbors. If you have questions about the Little Free Pantry, please contact Lori Hoffnagle ([l\\_hoffnagle@yahoo.com](mailto:l_hoffnagle@yahoo.com)).

### **Share the Harvest**

Feel free to bring items to share or help yourself to what has been placed on the counter by the sofas in the lobby. Contact Janice Bowen ([wecare@fumchurch.com](mailto:wecare@fumchurch.com) or 717-766-4611, ext. 112) with questions.

- Support our youth ministry by **donating your treasures!** The youth will sell the items to raise funds for future mission trips. Last year, they made over \$2,000 at the sale! The collection will start **Aug. 7** in the multipurpose room during office hours. Please bring only clean, unbroken and working items. If you have questions about your donations, contact Lisa Aronson ([uthrock@fumchurch.com](mailto:uthrock@fumchurch.com)) or Lori Hoffnagle ([l\\_hoffnagle@yahoo.com](mailto:l_hoffnagle@yahoo.com)).
- The Children's Department will once again hand out **free school supplies** in handmade pouches to children who visit the sale.
- The **Church Library** will have a variety of books, puzzles, CDs and DVDs available for purchase. The library is also asking for donations of gently used children and adult books, puzzles, CDs and DVDs (Please no VHS videos, cassettes or encyclopedias). Proceeds from the sale keep the most current Christian fiction on our shelves for your reading pleasure. Donations can be left outside the church library (near alley entrance) on Sunday mornings or in the multipurpose room starting Aug. 7. If you have a large donation, call Pam Van Kirk ([717-903-9196](tel:717-903-9196)) or Donna Nichols ([djnichols43@hotmail.com](mailto:djnichols43@hotmail.com) or [717-574-9894](tel:717-574-9894)) to coordinate dropoff.
- The **Handbell Choir** will have food available for purchase to support their music ministry.

- Enjoy tasty treats from the United Women in Faith **Bake Sale!** We will be asking for donations of baked goods, so start thinking of something yummy to make! To donate baked goods, contact Denise Swank ([dmom64@gmail.com](mailto:dmom64@gmail.com) or 717-795-8747).

### Change for Water

Water is the foundation of our very lives. Yet, according to CDC estimates, only 2% of the population in Sierra Leone has access to clean, readily available drinking water! Help us to support well digging in Sierra Leone by dropping your loose change (or even paper bills) into the blue Change for Water bucket located in the lobby in front of the multipurpose room. Donations from June totaled \$29.20.

### Bless the Paetzold Family

Keri Paetzold has taught classes at Little Friends Preschool since 2013. Several years ago, Keri's husband, Phil, received news that he had a cancerous tumor in his brain. Since then, Phil has had multiple operations and rounds of chemotherapy and numerous hospital stays. He has also been in and out of work due to complications from his illness. Despite treatment, Phil's tumor has continued to grow. In an effort to improve the chances of stopping the growth, he had an operation to insert a shunt that will allow the treatment to be administered directly into his brain. All of these changes, challenges and uncertainties have left Phil unable to work and placed a huge strain on him, Keri, and their three young daughters. Keri considered taking a second job over the summer to supplement their income, but with Phil's situation the way that it is right now, she decided that her priority needs to be taking care of Phil and their girls, and spending as much time together as a family as they possibly can. Some of our Little Friends Preschool staff have organized a fundraiser to help this family make as many sweet memories together as they can without having to worry so much about making ends meet. We encourage you to keep the Paetzold family in your prayers. If you'd like to make a donation and offer a word of encouragement, visit the GoFundMe page here: <https://gofund.me/3d108c67>

## First Church Mission Moments...

### Mission Moment: Mission Central

Mission Central is a Mechanicsburg-based nonprofit dedicated to connecting God's resources with human need. Mission Central partners with over 800 different organizations to provide resources to groups who are doing humanitarian work across town, across the country and across the globe! First Church is blessed to serve as a partner organization with Mission Central, and several of our church members serve there weekly in many different ways!

Additionally, one of Mission Central's biggest operations involves responding to natural disasters. During July and August, many places are particularly susceptible to devastating hurricanes, heat waves, wildfires and other catastrophic events. Mission Central stands ready to respond, and First Church will support this effort through collecting supplies and assembling CARE Kits. Our goal is to provide Mission Central with at least 75 CARE Kits, which we will assemble at 9:45 a.m. on Sunday, Aug. 20. We invite you to join us in the joy of serving by donating items and helping us assemble the kits.

## MISSION CENTRAL CARE KIT DONATION INSTRUCTIONS

All items must be new. Do not wash any of the items (as they will be considered used). Please remove all packaging except for toothbrushes and soap. All kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into other countries, it is important that kits contain these exact items:

- Hand towels (bath, kitchen, cleaning or microfiber towels)
- Wash cloths (adult size)
- Combs (any size or shape, including picks and pocket combs)
- Metal nail files or toenail clippers (no emery boards)
- Bath-size soaps (2.5 oz. and larger; no Ivory, Jergens or Lisa brand soaps)
- Toothbrushes (adult size; ensure packaging is completely sealed)
- Adhesive bandages (6 3/4" to 1" width; Band Aid brand preferred)
- Gallon-size reclosable plastic bags (Ziploc-style)

Learn more about Mission Central and drop off your donations at the display table in the main entrance hallway. Be sure to join us in Fellowship Hall on Sunday, Aug. 20, at 9:45 a.m. to help assemble the CARE Kits!

## News and Notes...

I wanted to express a hearty thank you to everyone who took the time, care, expense and effort to prepare food for the Homeland Hospice casserole (and soup) program! This is a tremendous comfort to local families receiving hospice services at a tender time. I really appreciate your donations of loving food gifts from your kitchen!
