Hearing God's Whispers through Dreams and People

Doodle Prayer Cloud of Witnesses

This week we give thanks for God's whispers through our dreams and people in our lives. Hebrews 12 reminds us how we are surrounded by so great a cloud of witnesses.

Mark Batterson reminds us that we all need human pinballs, those who prevent us from conceit and confinement. In a creative fashion – circles, a tree of life, interconnected names or a list written in different colors – list 25 people who and how they have influenced your life. Give thanks to God for each person. Reach out to at least two sharing your thanks.
